

# VOLUNTEER PASS 2026/27

## HOW DOES IT WORK?

The Museum Development North Volunteer Pass gives volunteers free entry and/or additional benefits (as listed) at participating museums in the Museum Development North area. Full details of participating museums and their individual offers are outlined in this leaflet.

Museums will be issued with Institutional Passes which they can loan out to volunteers and Individual Passes which are for named volunteers. If you receive an Individual Pass, please enter your name and the museum at which you volunteer.

The pass entitles the bearer to the benefits detailed in this leaflet. Any accompanying friends or family will need to pay standard charges unless the member museum specifically offers benefits to them as well.

**PLEASE CHECK:** the list of participating museums and their details online before making your visit and remember to take your Volunteer Pass.

**PLEASE REMEMBER:** the Volunteer Pass scheme is a mutually beneficial partnership between participating museums. Each museum ensures that fellow volunteers receive a warm welcome and free entry or other advertised benefits when they visit. Equally each museum will check that passes are not being misused and are accessible only to their active volunteer base.

We would like to hear about your experiences at museums across the north – please complete a short evaluation of your visit(s) using this [link](#).
